Domestic and International Transport

With an adaptable fleet and experienced crews, we ensure that your cargo reaches its destination in conditions of safety, efficiency and timeliness.

Bulk Transport

Oversized transport requires detailed organization. Thus, taking into account the size and weight of the load, the company's staff will choose the route on which the transport can be carried out in the shortest possible time and under the best conditions.

Refrigerated Transport

At Crystal Logistics Services, we have adapted our fleet and services to ensure the best conditions of transport for refrigerated or frozen goods, offering customized solutions for your needs, both domestically and internationally.

ADR Transport

At Crystal Logistics Services, we specialize in the transportation of dangerous goods according to ADR regulations, offering safe and efficient transport solutions for these sensitive products.

Container Transport

Containerized shipping is essential to many modern commercial operations. Whether it's 20 or 40 foot containers or those with special specifications, we make sure they are transported with maximum efficiency and safety

Multimodal Transport

By working closely with our network of partners, we are able to combine different modes of transport to offer you fast and efficient solutions. Regardless of the complexity of your needs, we coordinate with industry experts to ensure a smooth delivery of your goods from source to destination.

Tanker Transport

At Crystal Logistics Services, we specialize in safe and efficient tanker transport, offering tailored services for a wide range of substances, from food to chemicals.

Transport Tipper

At Crystal Logistics Services, we understand the complexities and specifics of bulk cargo transportation. With our fleet of top tipper trucks, we ensure your cargo is transported efficiently and safely.

Car Platform Transport

At Crystal Logistics Services, we offer high-quality car shipping solutions, ensuring that your vehicle is transported safely and efficiently from point A to point B.

Insuring the goods through reliable partners

**INSURANCE
POLICY**

In collaboration with our network of specialist partners, we offer customized cargo insurance solutions. Our aim is to protect your investment and give you peace of mind knowing that your goods are covered against unforeseen events.

Storage and handling

through our partners

We work with an extensive network of partners to offer you integrated storage and handling solutions. Our partners' warehouses are equipped with the latest technology, ensuring that your products are kept in optimal conditions. Handling services are performed by qualified specialists, guaranteeing the proper handling and safe delivery of your goods.

Logistics for

fairs and exhibitions

Attending trade shows and exhibitions can be a great opportunity for your business to connect with potential partners and customers. However, the logistics involved can be complex and demanding. We are here to provide you with top logistics solutions so you can focus on what you do best.

International relocations

International moves are challenging, but with our relocation services, we ensure a smooth process, from packing and loading, to shipping and unloading.

Customs formalities

Navigating customs procedures can be complicated and time-consuming. With the help of our specialist partners, we ensure that your goods transit quickly and without impediments. From consultation to completing the documentation, we support you every step of the way.
